ORDER

GREGORY H. WOODS, United States District Judge:

Following a hearing held on August 28, 2023, the Court has concluded by clear and convincing evidence that Mr. Abreu violated the conditions of his pretrial release and has also found that Mr. Abreu is unlikely to abide by any condition or combination of conditions of release. Accordingly, Mr. Abreu's pretrial release is revoked, and he is remanded to the custody of the United States Marshals Service.

SO ORDERED.
